

Children's home

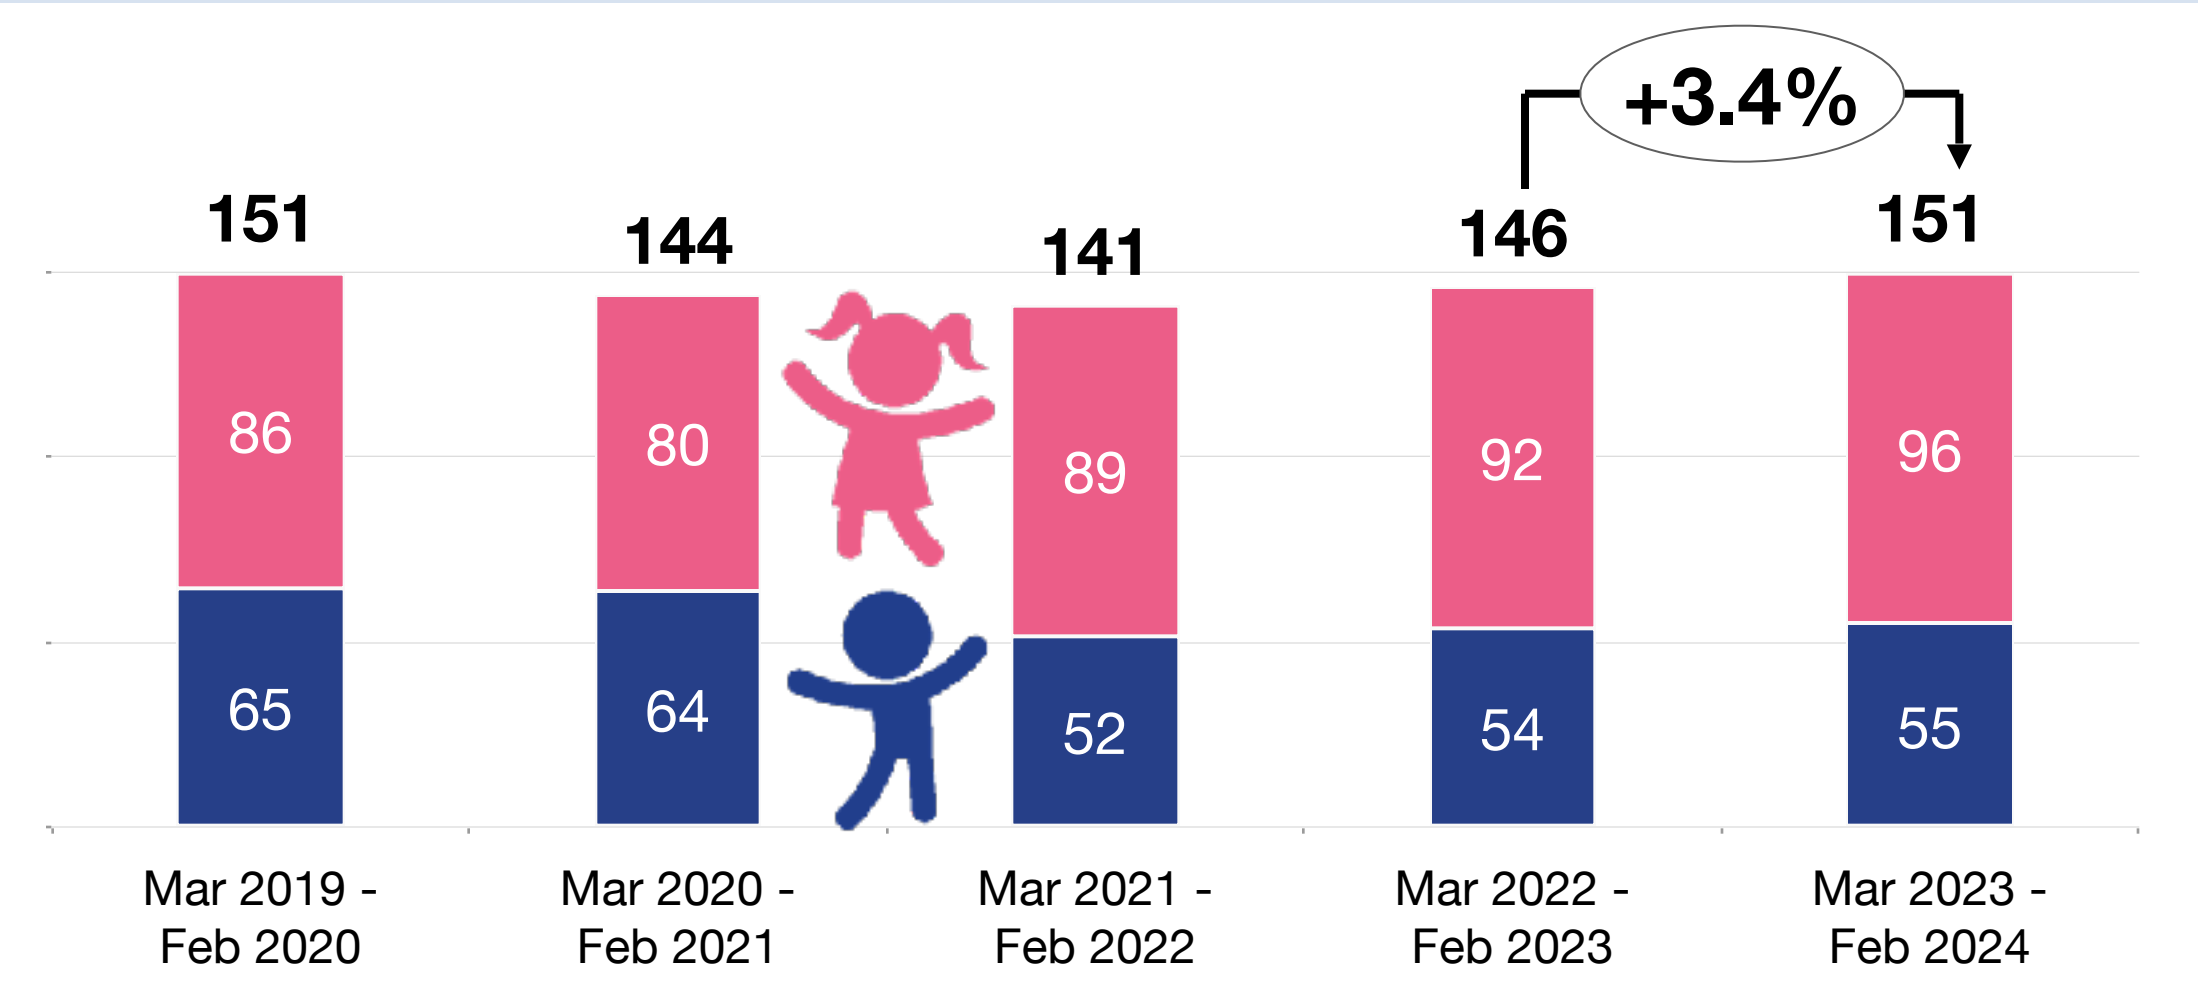

Annual report 2023

Compiled for Siyabonga
www.verrein-siyabonga.org

Number of children overall at 2019 level, number of girls increases slightly

Number of children increases

32 Leavers

(-14%, 37 in 2022)

Still many children placed in families.
The number of children who have voluntarily left the home is stable.

5 voluntary leavers (6 in 2022)

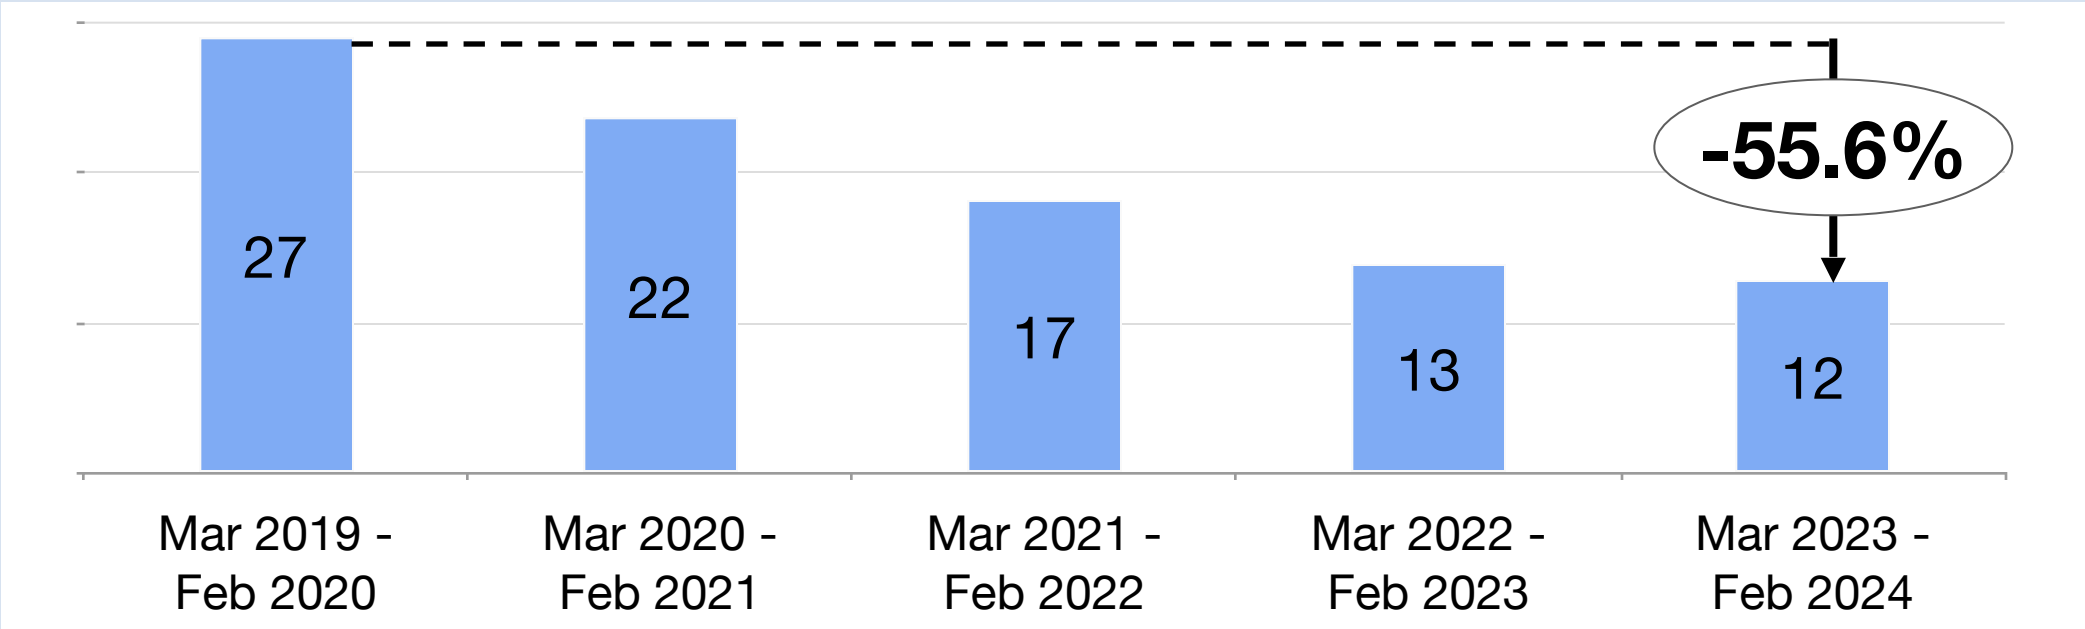

26 in foster care (30 in 2022)

Number of orphans rose again slightly in 2023 after four years of decline.

28 orphans
(+17%, 24 in 2022)

Less children in treatment (-21%, from 58 children in 2022 to 46 children in 2023). Especially less children in **psycho therapy** (from 22 to 15).

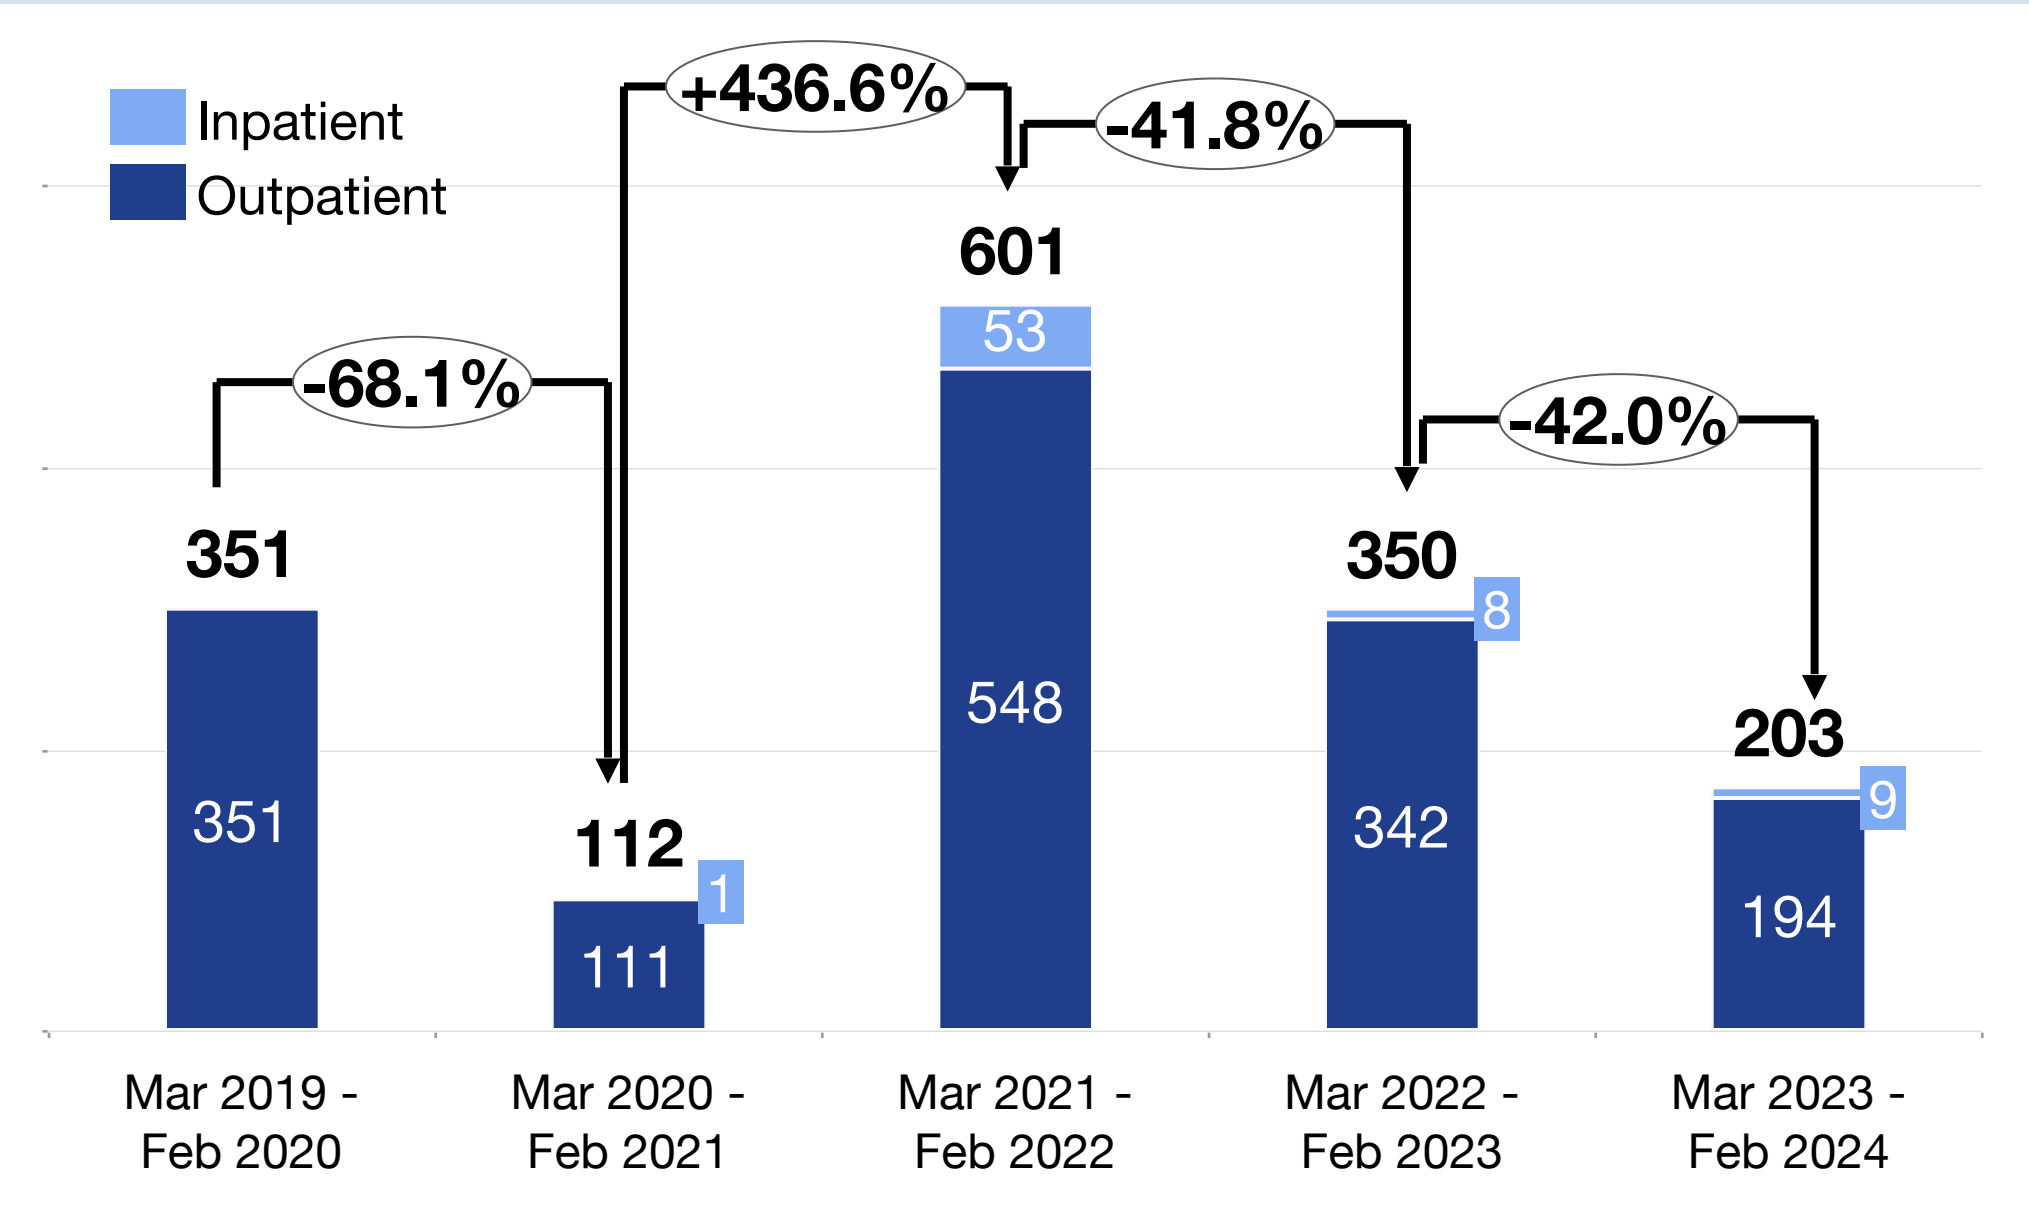

Number of **HIV positive** children decreases continuously.

Employees unchanged, again many awards

Team of **35 employees** is still unchanged (3 social workers, 10 house mothers, 22 other staff).

Number of treatments in own sick bay is again reducing (especially for **outpatient treatment**).

8 awards in sport
6 academic awards
3 children elected as spokespersons of their schools
