# Feeding project again distributed more meals in 2023

The feeding project is a firm institution in Greytown. Almost every Tuesday and Thursday, many people in need gather to pick up a hot meal prepared by the only **6 volunteers**. In 2023, the kitchen was only closed on public holidays and over Christmas / New Year; in previous years, it usually also took a short break in the summer.

The number of hot meals served rose for the third year in a row in 2023.

**19'117 meals**

(+1.3%, 18'866 in 2022)

one meal costs ca. **0.20 €**

**Ø210 meals / day**

(+3.9%, as usual most of the meals were distributed right before Christmas: 322)

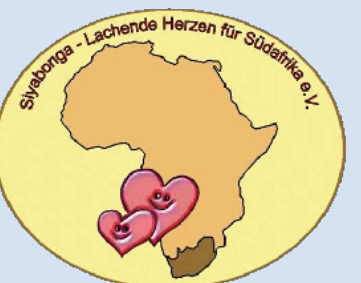

Feeding project was again open for

**95 Tage** in 2023 (95 days in 2022, 85 days in 2021)

In 2023, additional **presents** were once again distributed to the **children at Christmas.**

The **age** of the visitors to the feeding project ranges from 3 years to 84 years, with an **average of only 25 years.**
