

# Annual report Walk In The Light 2021-2022

# Township residents regularly supported again since 2020

## ca. 200 aid packages

distributed, including food, hygiene and disinfection items, face masks and adult diapers

Number of church services is constant, but the number of churchgoers has declined sharply, except on special holidays

## ca. 35 churchgoers

(strong decline since Covid-19)

## Every Sunday church service

Additionally every Monday and Wednesday bible study and every Sunday choir practice with 9 members

For cost reasons and because there is no longer a project-owned vehicle, there were **no trips to the clinic or government authorities in 2021**

Instead financing of **3 wheel chairs** and **10 school uniforms** for kids

Increasing number of users of the **sports room** mainly because the residents have been unemployed due to Covid-19

However, due to the heavy usage equipment breaks and is not replaced

**150 users**  
(+25%)
